FOREST RESTAURANT

Our restaurant with a veranda and panoramic views. It is conveniently located on the lake shore in a picturesque area of the forest park. The two-storey Scandinavian style wooden structure is an organic continuation of the surrounding pristine landscape. The menu features signature and European cuisine, as well as a wide range of drinks and wines. In the morning, the restaurant serves delicious breakfasts.

RESTAURANT WILD

Restaurant Wild is a cozy place where the art of cooking meat dishes is appreciated. Here, every guest can enjoy a variety of delicious meat dishes prepared according to special recipes. The interior uses natural materials, dark shades, wood, and leather to create an elegant and stylish environment. Professional chefs skillfully combine flavors and textures to make each dish a true culinary masterpiece and a gourmet delight.

BAR BIBLIOTEKA

Now you can enjoy relaxation, light snacks and a cup of coffee or a strong drink right in the main building of the hotel. The Library bar with high ceilings creates a sense of spaciousness, and elegant furniture and interior items harmoniously complement the atmosphere of the institution. The stained glass windows offer a picturesque view of the coniferous forest. In our menu you will find a variety of European dishes. Special attention is paid to light snacks, which perfectly emphasize the wide range of original cocktails, wines and a collection of spirits

EMERALD RESTAURANT

The spacious and bright restaurant has panoramic windows that fill the hall with natural light and offer breathtaking views of the surrounding nature. In the morning, the restaurant offers a variety of breakfasts, and during the day it operates on an à la carte menu, where you can enjoy a wide range of European dishes. For our younger guests, we have provided a children's room where children can play while you enjoy the atmosphere. We strive to create a comfortable and cozy environment for the whole family.

GZHEL RESTAURANT

Enjoy the diversity of traditional cuisine. Traditional patterns inherent to the style, special table settings and dishes with traditional Gzhel painting create an atmosphere of extraordinary home comfort. The Gzhel restaurant is ideal for absolutely any occasion: be it a business lunch, a private dinner or a family celebration.

EMELYA RUSSIAN HUT

Each nation has its own hearth, which reflects the characteristics of the national cuisine. In our hut it occupies a special place, creating a warm atmosphere of country life. Our chef will offer you savory dishes of Russian cuisine. Specialties include hot meat or fish dishes, the taste of which you can always highlight and complement with traditional home-made drinks.

PHYTO-BAR

Here you can enjoy all sorts of elite tea, delicious oxygen-based, milk and fruit cocktails, cool freshly squeezed juices, and varied and healthy smoothies. The Phyto-bar menu offers healthy and tasty drinks that will help activate the immune system, increase efficiency, and relieve stress after physical exertion.

TEA ISLAND

During a country holiday, it is especially pleasant to sit back with a cup of your favourite drink in comfortable armchairs and enjoy landscape views. An open area with an elegant summer veranda in eco-style with a tandoor and barbecue area. The place is ideal for small BBQ banquets and buffets in the warm season.

WINE CELLAR

The wine cellar contains more than 100 varieties of fine wines from the best winemakers. Our sommelier will be happy to recommend wines that match the menu and will show you both classic and rare varieties that will make the heart of a wine connoisseur beat faster. We look forward to welcoming you to taste our exclusive collection and try elite cigars in the authentic atmosphere of the cigar room.

HARMONY WELLNESS & SPA

In this place, you will immerse yourself in an oasis of serenity and tranquility. Massages and cosmetic procedures using professional cosmetics are ideal for restoring radiant beauty. The Spa center has a swimming pool with floor-to-ceiling windows, an incredible hammam, baths, and plunge tubs. Our specialists carefully carry out steaming, exfoliation, and various treatments. And let the whole world wait while you relax in our Spa center.

ALTAY BATH

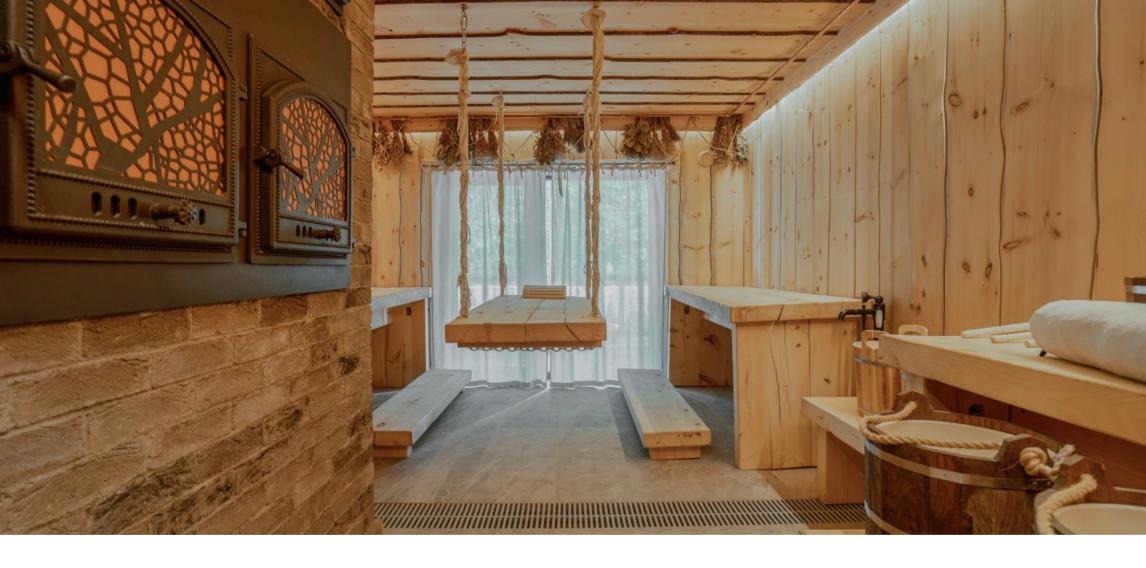

We invite you to visit our new true Russian bathhouse! An ideal one-story bathhouse with access to a pond will become your home during your vacation, where you will want to return again and again. After actively warming up in the steam room, it is so nice to spend time with friends at a good table with a cup of tea, dive into the pond and enjoy the beauty of nature.

TYO BATHHOUSE

The Tyo bathhouse is designed for four to six guests and is located in the forest next to the main building of the Crystal Hotel. Inside Tyo is its heart – a steam room with a Russian wood-burning stove. The recreation room with hayloft offers guests the opportunity to completely relax. You can relax in the fresh air on the spacious terrace, which offers a magnificent view of the surrounding nature. There is a plunge tub with ice water outside, as well as a hot bath tub filled with medicinal brooms and herbs.

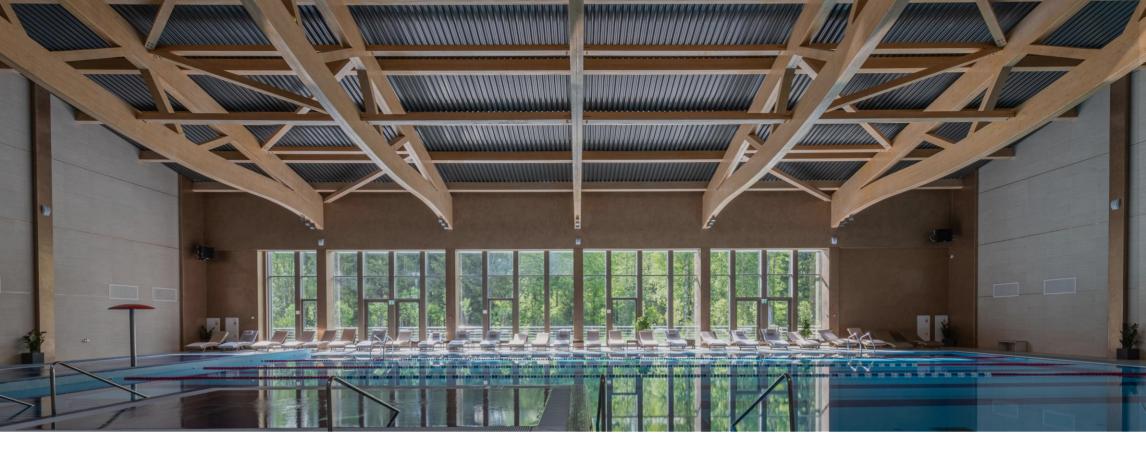

BATH COMPLEX

The Malaya bathhouse is designed for a comfortable stay of 4 guests and features a steam room, a relaxation area with a swing, a terrace with access to a hot tub and a plunge tub. The Bolshaya bathhouse is designed for a comfortable stay of 6 guests and features a steam room with a swing, a relaxation area with a hayloft, a herbal aroma sauna, a massage room, a room with hydromassage, a terrace with access to a hot tub and a plunge tub. For complete relaxation, special bath programs from professional bath masters are provided.

SPORTS COMPLEX

THE GYM IS EQUIPPED WITH THE WORLD-FAMOUS TECHNOGYM COMPANY

After a good workout, relax completely in the thermal zone of the complex, which includes a Finnish sauna, aroma bath, hammam, as well as a salt room and massage room. Sports grounds near the complex building allow you to spend more time outdoors playing tennis, basketball, and mini-football or training on outdoor exercise equipment. In winter, one of the playgrounds is transformed into an ice rink.

MEETING ROOMS: KALINA In the Congress Hall, you can combine the main event in the hall with an important meeting in one of the meeting rooms, each of which is 51 sq. m and can accommodate up to 15 people. The floor-to-ceiling windows of the meeting rooms offer a beautiful view of the forest park, and the warm neutral colours of the interiors create a favorable environment for an important meeting.

MEETING ROOMS: IVA

In the Congress Hall, you can combine the main event in the hall with an important meeting in one of the meeting rooms, each of which is 51 sq. m and can accommodate up to 15 people. The floor-to-ceiling windows of the meeting rooms offer a beautiful view of the forest park, and the warm neutral colours of the interiors create a favorable environment for an important meeting.

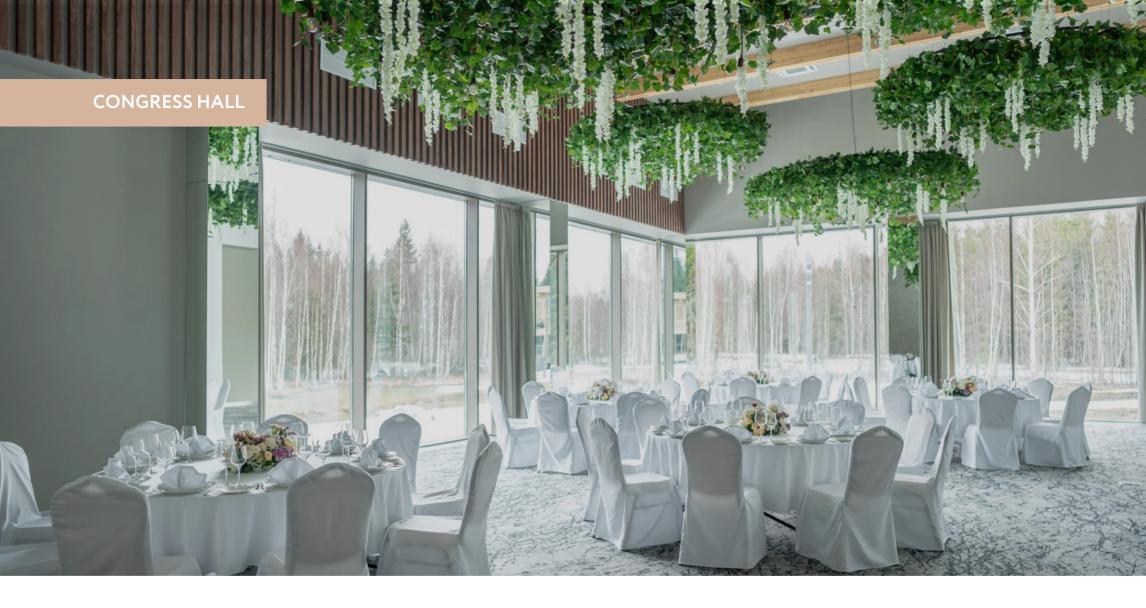

MEETING ROOMS: RYABINA

In the Congress Hall, you can combine the main event in the hall with an important meeting in one of the meeting rooms, each of which is 51 sq. m and can accommodate up to 15 people. The floor-to-ceiling windows of the meeting rooms offer a beautiful view of the forest park, and the warm neutral colours of the interiors create a favorable environment for an important meeting.

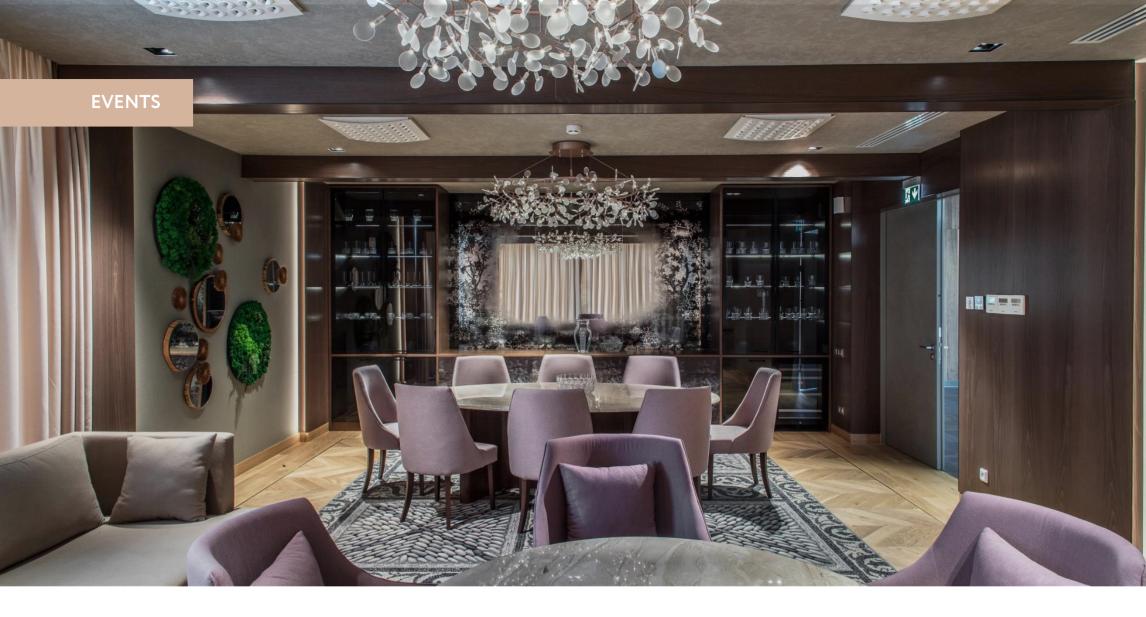

SOSNOVY BOR MULTIFUNCTIONAL HALL The Congress Hall houses a bright and multifunctional hall with an area of 312 sq. m, designed for 200 people. Mobile partitions have been installed, which allow the space to be divided into 3 separate areas. When separated by partitions, the two outer halls have an area of 60 sq. m each with a capacity of 20 to 40 people. The third hall has an area of 190 sq. m and can accommodate up to 80 people.

LEBEDINOYE OZERO BANQUET HALL

The area of the hall is 192 sq. m Capacity up to 80 people. The congress hall also includes a banquet hall with the romantic name Lebedinoye Ozero (Swan Lake), which is created for special celebrations: delicate, light design, openwork decor, and panoramic windows overlooking the picturesque forest.

CELEBRATIONS AND BUSINESS EVENTS

Events – business, educational, ceremonial – have become an obligatory part of corporate culture and a tool for team development in the company. The new and modern halls of the Cosmos Collection Izumrudny Les Hotel will be ideal venues for events of various sizes, be it a gala dinner, a buffet, a press conference or a private celebration.

RENTAL

The rental point on hotel grounds has equipment for seasonal entertainment. Every guest of our hotel can discover a variety of activities and gain new experiences at any time of the year. In the summer, we offer the following to our guests: bicycles for adult, teenagers, and children; bicycles with child seats; electric scooters; electric bikes; electric cars for children.

FISHERMAN'S LODGE

The Fisherman's Lodge on Izumrudnoye Lake is the perfect place for all fishermen. The fishing season at Cosmos Collection Izumrudny Les lasts all year round. Modern tackle and bait can be rented, and beginners can use the services of a guide and learn many of the intricacies of fishing, catch carp, trout, pike or sturgeon. You can take your catch with you or give it to our professional chefs and have a wonderful dinner for yourself.

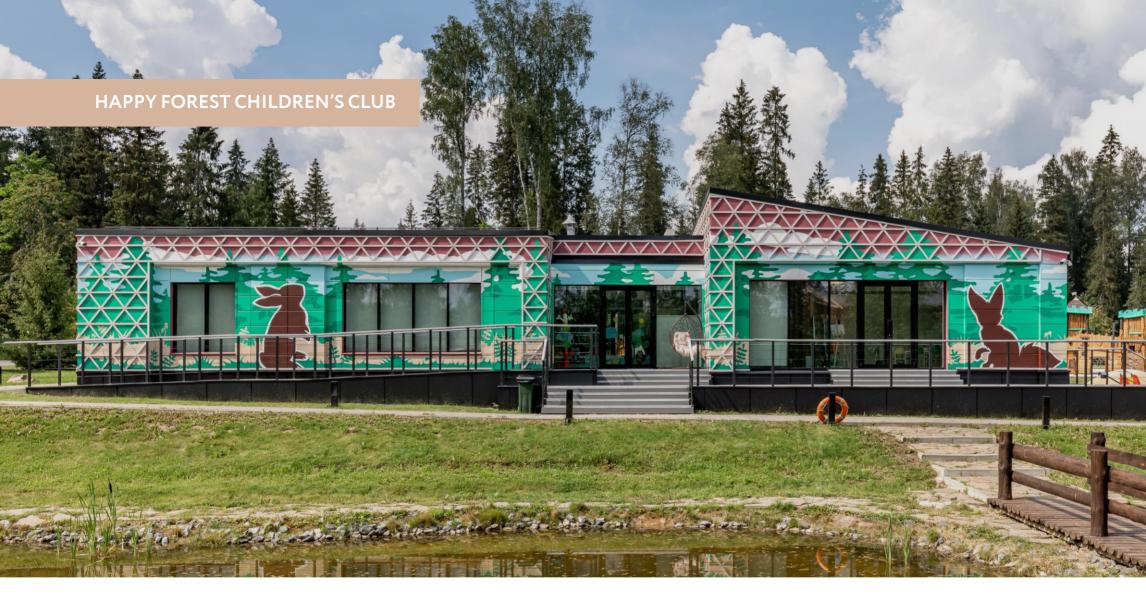

BILLIARD ROOM

Enjoy an intellectual game in a pleasant atmosphere. The billiard room is fully equipped for classic billiards, and its convenient location allows you to order drinks and food from the Emerald restaurant.

CINEMA HALL

We also provide a premium cinema hall for true lovers of comfort. Leather seats, like those in a first-class airliner cabin, adjustable lighting and a climate control system create maximum comfort for spectators. The maximum capacity of the hall is 20 people.

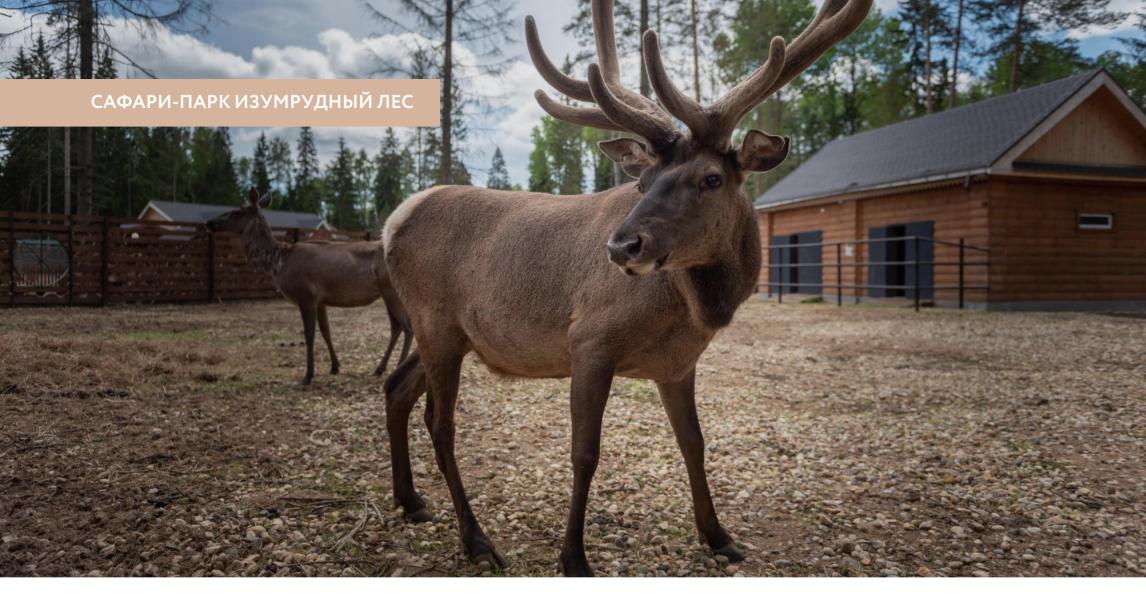

Happy Forest is a mini-city with its own infrastructure. A free leisure format for children of all ages, development and recreation at the same time.

Young guests can spend the whole day here – with interest, benefit and in a great mood. Sensitive instructors and animators will help you spend an unforgettable time.

The concept of the park is to create the most comfortable living conditions for animals, allowing guests to the complex to observe them easily. The park is divided into 2 areas. The first entrance area is designed for guests with children. It offers the opportunity to pet and feed animals, see ostriches, raccoons, alpacas, and many other animals.

The second area is home to kangaroos, camels, bison, and reindeer. There is a safari house on the park grounds where guests can purchase refreshments.

Looking for a place to go horse riding?
Izumrudny Les offers the opportunity to combine a hotel stay with horse riding. Our stable provides several adult thoroughreds and excellent training facilities.

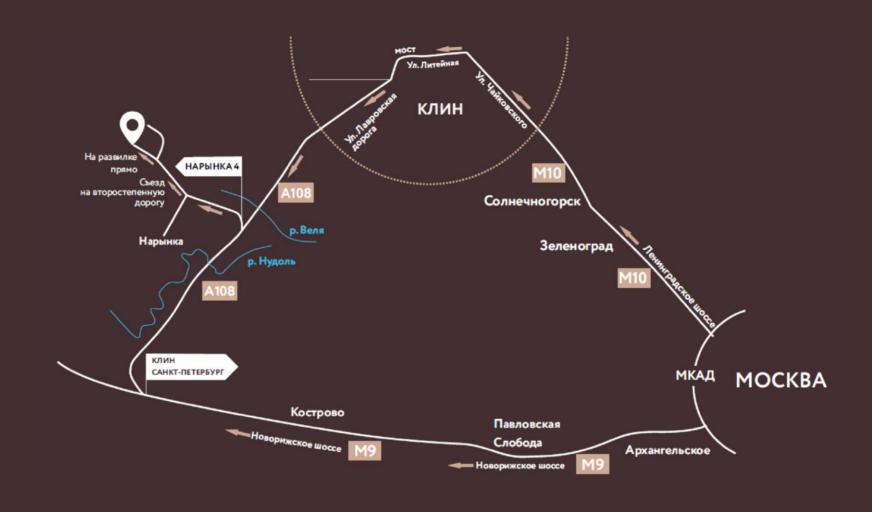

You can take horse riding lessons or go on a horseback ride through the area, which is accessible even for beginners.

Combine an unforgettable holiday with a pleasant shopping experience in the shopping gallery, which will be a good reminder of the time spent in the Cosmos Collection Izumrudny Les Hotel.

In our shopping gallery you can buy: health and beauty products, clothing and accessories. Take your Impression Collection home with you.
